MINNESOTA BULLETIN NO. 300-8-20

SUBJECT: LTP – MODIFYING THE STATEWIDE ENVIRONMENTAL QUALITY INCENTIVES
PROGRAM (EQIP) CONSERVATION PRACTICE PAYMENT SCHEDULE FOR 2009

Action Due By: August 10 & 15, 2008

Purpose. To request recommendations for the Statewide EQIP Conservation Practice Payment Schedule.

Expiration Date. September 30, 2008.

The EQIP Statewide Conservation Practice Payment Schedule is being prepared for FY 2009. The 2009 Minnesota payment schedule will still prescribe the individual eligible practices, the general provisions and the practice specific provisions for EQIP and look very similar to the old docket. Changes and refinements will occur in how costs are computed, some components, and the itemization of plan supporting practices.

Offices should submit payment schedule recommendations for deleting or adding a practice, general state policies, practice specific policies, and changes to practice components. Include suggestions generated by the local work group (LWG) in this process. The recommendations, documentation, costs, and procedures developed for the payment schedule will also be reflected in other NRCS cost-share programs such as the Wildlife Habitat Incentive Program (WHIP).

Field staff should submit suggestions for the payment schedule to their NRCS Area Office by August 11, 2008. Area Offices will consolidate and submit suggestions to the NRCS State Office by August 15, 2008.

Further information and training will be provided as the 2009 EQIP is rolled out.

Requests submitted to the Area Offices should be directed to the Area Resource Conservationist or Area Program Specialist with a courtesy copy to the respective Assistant State Conservationist. Submit Area summations to Tim Koehler, Assistant State Conservationist, and Sid Cornelius, Biologist.
